

Le système des valeurs linguistiques dans *Les Soleils des Indépendances*

Pour une analyse sémantico-pragmatique

Publication type: Article from a collective work

Collective work: [Ahmadou Kourouma, entre poétique romanesque et littérature politique](#)

Author: Fewou Ngouloure (Jean-Pierre)

Abstract: Far from being reduced to mere denunciations of colonial and neo-colonial enterprise in Africa, *Les Soleils des Indépendances* also highlights issues that fall within the scope of general linguistics. Kourouma displays some peculiarities in his writing system, and one of them is based on the idea of a dialectalization of the meaning, a proof that the purpose of his writings is not limited only to its political commitment.
