

Merlin et la guerre entre l'Angleterre et l'Écosse au début du xiv^e siècle

Publication type: Article from a collective work

Collective work: [Ainsi passe le texte. Mélanges en hommage à Madeleine Jeay](#)

Authors: Lusignan (Serge), Cormier (David)

Abstract: In 1307, during the Scottish War of Independence, a Scottish nobleman wrote to Edward III informing him of Merlin's prophecy predicting the triumph of the Scots, which was being quoted by preachers in their sermons. We edit and comment on this letter, which attests to the popular embracing of the Merlin legend.
