

## “Remarque sur la révolte” and its links with *L’Existence*

Publication type: Journal article

Journal: [Albert Camus au sortir de la guerre. 1944-1948](#)  
2022 - 8

Author: Larue (Rémi)

Abstract: Remarque sur la révolte written at the end of World War II serves as a solid basis for the arguments Camus develops in *L’Homme révolté*. Studying this text is a way to go back to the origins of the revolt as defined by Camus, to take also a close look at the context in which this short essay was written and to ponder on the importance it has in *L’Existence* in which it was published in 1945. Could revolt have to do with existence in a metaphysical sense?

Pages: 121 to 133
