

The Passing of Time in the Literary Works of Haruki Murakami

Publication type: Journal article

Journal: [Alkemie Revue semestrielle de littérature et philosophie](#)
2021 - 1, n° 27. [Le temps](#)

Author: Dion (Michel)

Abstract: The passing of time makes things, beings and phenomena change. We perceive their various forms, while being involved in the objectively perceived time and the subjectively felt time. Objective and subjective time is never homogeneous. In his novels and short stories, Haruki Murakami unveils the circular conjunction of the past, the present, and the future.

Pages: 197 to 214
