

A View Is Born

Publication type: Journal article

Journal: [Alkemie Revue semestrielle de littérature et philosophie](#)
2022 - 2, n° 30. L'image

Author: Laurans (Jacques)

Abstract: A child is in search of a world of which he has no idea. First, his vision is made of only few classic films. One day the screen which protected him from the outside world is shattered by real images. That day will mark a second birth: the apparition of a conscience intimately linked to *A View Is Born*.
