

## **Bloy and Péguy, Points of convergence**

The republication of *Le Salut par les Juifs*, an occasion for two interviews

Author: Vaissermann (Romain)

Abstract: Bloy and Péguy had the same address a few months apart and met via shared friends (B. Lazare, E. Psichari, G. Bernoville, É. Amieux), letters, and books; their themes sometimes intersect. But it was through a complex triangular relationship—anchored around the republication of *Le Salut par les Juifs*—that their works inspired Jacques and Raïssa Maritain with in an astonishing shared fruitfulness.
