The Bloy-Huysmans correspondence

Eleven rediscovered letters

Publication type: Journal article

Journal: [Bloy-Huysmans](#)
[2019 - 7](#)

Author: Guglielmi (Francesca)

Abstract: The correspondence exchanged between Bloy and Huysmans is a particularly valuable document from a biographical and literary point of view. A set of eleven recently found letters handwritten by these authors provides some details and some unpublished information on the links that unite these two writers and illuminates several moments from this friendship.
