

## Bref traité sur la richesse des royaumes

*précédé des 1<sup>er</sup> et 2<sup>e</sup> discours sur le change de Marc'Antonio De Santis (1605)*

Publication type: Book

Author: Serra (Antonio)

Editor-translator: Tiran (André)

Abstract: Antonio Serra should have been considered as the founder of political economy with his *Brief Treaty* (1613) long before Adam Smith. His work has never ceased to arouse interest. *The Discourses* of Marc' Antonio De Santis (1605) represent an original analysis of speculation operations on the exchange rate.
