

## Le style du « parler simple et naïf » des *Essais*

Publication type: Journal article

Journal: [Bulletin de la Société internationale des amis de Montaigne](#)  
2018 - 1, n° 67. varia

Author: Milhe Poutingon (Gérard)

Abstract: The study focuses on the search for a language aimed at reality, « written as spoken » (« tel sur le papier qu'à la bouche »). Montaigne develops a poetic form whereby the style imitates the movements of thought. He also seems to reflect on the possibility of involving concrete perception in the act of reading.
