

The foreigner in Dumas's travel stories or the meaning of friendship

Publication type: Journal article

Journal: [Cahiers Alexandre Dumas](#)
[2023, n° 50. Dumas, écrire noir ou blanc](#)

Author: Solomon (Nathalie)

Abstract: In the course of thirty odd years and in spite of geographical differences in different countries, Dumas looks kindly on the natives. The other is not only seen as exotic in Dumas' travel narratives, he has a face and a story, he is only superficially exotic. For Dumas race is about people but not about a man. Racial theory, good-natured as it may appear, does not survive meeting a person.

Pages: 63 to 72
