Abstract: In 2022, the public sale of a private archive collection enabled us to regain access to a number of valuable manuscripts, including fourteen letters written by Marie Mennessier-Nodier to her friend the poet Émile Deschamps. This correspondence, which stretches from 1831 to the death of Deschamps, testifies to a long, sincere, and fervent friendship. It is a timely companion to Marie Mennessier-Nodier's *Correspondance* published by Classiques Garnier (in 2019, 2020, and 2021).
