[2017 - 2, n° 111. La sémantique en France : un état des lieux \(II\)](#)

Author: Abouda (Lotfi)

Abstract: This contribution establishes an up-to-date survey of studies devoted to the French conditional (*conditionnel*). Three major issues are addressed. Firstly, we synthesize the general debate on the categorical status of the *conditionnel*. Secondly, this article proposes a summary of the main uses of the conditional usually identified. Lastly, it considers the question of ascribing a basic semantic value (*signifié*) to the conditional form, through a critical evaluation of the hypotheses currently discussed.
