

## **New Words for New Politics?**

Proper Nouns and Naming Diversity related to Spanish New Political Parties

Publication type: Journal article

Journal: [Cahiers de lexicologie](#)  
[2018 - 2, n° 113. Néologie et noms propres](#)

Authors: Sanchez Ibañez (Miguel), Maroto (Nava)

Abstract: The appearance of new Spanish political parties is generating a new array neologisms derived from proper nouns. It is easy to observe significant productivity of this process in the press, and the way all these new lexical units are being created seems to be different to the one related to Spanish traditional parties. Also, different ideological orientation may imply variations. The aim is to describe and organize the main neological trends we have detected, both formally and semantically.
