

Introduction

Publication type: Journal article

Journal: [Cahiers de recherches médiévales et humanistes - Journal of Medieval and Humanistic Studies](#)
2022 - 2, n° 44. varia

Authors: Lombart (Nicolas), Véronèse (Julien)

Abstract: This section brings together five contributions that, in various contexts, study the dialectic between secrecy and publicity between the Middle Ages and the Renaissance. It highlights on the one hand the long and complex relationship between these two concepts, on the other hand some of their fine developments, focusing for instance on the control of information within the political framework.

Pages: 335 to 348
