Polemical strategy in the sonnets "*Contre les ministres de la nouvelle opinion*", by Étienne Jodelle

Publication type: Journal article

Journal: Cahiers de recherches médiévales et humanistes - Journal of Medieval and Humanistic Studies
2023 – 1, n° 45. varia

Author: Buron (Emmanuel)

Abstract: This article states that the thirty-six sonnets *Contre les ministres de la nouvelle opinon*, by Étienne Jodelle, have been written all along the 1560s. « Ministers » are the common adversary of these poems, term by which Jodelle targets all huguenots intellectuals: so, Calvinism appears not as a religious conviction but as an ideology, a false doctrine of which civil war is effect and goal.
