

Is Denis Diderot a big hardhead?

Dialogue between *Maldoror* and *Le Neveu de Rameau*

Publication type: Journal article

Journal: [Cahiers Lautréamont](#)
[2021, n° 3. varia](#)

Author: Lerouge (Siméon)

Abstract: This article is a new reading of canto VI, chapter five of Les Chants de Maldoror which aims to prove that Isidore Ducasse read Denis Diderot's *Le Neveu de Rameau* and that his moral and philosophical influence even extends to the *Poésies*. This analysis compares the characters, places, actions, themes, and forms that these literary works have in common.
