

Lautréamont in the Breton-Éluard correspondence

Publication type: Journal article

Journal: [Cahiers Lautréamont](#)
2021, n° 3. varia

Author: Walbecq (Éric)

Abstract: The recent publication of the correspondence between André Breton and Paul Éluard bears vital witness in many enlightening ways to the early years of surrealism. Isidore Ducasse crops up again several times in the hand of the two authors.
