

Isidore Ducasse and the Orgueil aerolith

Publication type: Journal article

Journal: [Cahiers Lautréamont](#)
[2023, n° 5. varia](#)

Author: Lerouge (Siméon)

Abstract: Looking into an event that took place in the 1860s, Siméon Lerouge detected a new source for *Les Chants de Maldoror*: the passage of a meteorite across the skies over south-west France when Ducasse lived there as a student.

Pages: 159 to 167
