

Queer representations in *Les Chants de Maldoror*

The hermaphrodite

Publication type: Journal article

Journal: [Cahiers Lautréamont](#)
2023, n° 5. varia

Author: Ollivier (Mathilde)

Abstract: Mathilde Ollivier performs a close reading of the stanza of the hermaphrodite. Drawing on research into its sources, she studies what Ducasse did with this classical trope, updated for the nineteenth century to parody romanticism.
