

## Prosper Mérimée et Paul Lacroix

Publication type: Journal article

Journal: [Cahiers Mérimée](#)  
[2018, n° 10. varia](#)

Author: Charreire (Magali)

Abstract: Of the epistolary relationship between Prosper Mérimée and Paul Lacroix, the “bibliophile Jacob,” only the active correspondence of Mérimée remains. Despite shared activities and networks, their exchanges, like their occasional collaborations, reveal a distance maintained by the historical monuments inspector from the polymath man of letters who is nonetheless the author of the note on Léonor Mérimée in Michaud’s *Biographie universelle*.

Pages: 111 to 133
