

Les discours de conseil machiavéliques de Salomé dans *La Mariane*

Publication type: Journal article

Journal: [Cahiers Tristan L'Hermitte](#)
2022, Hors-série Agrégation 2023. Agrégation 2023 - La Mariane, La Mort de Sénèque, Osman

Author: Basset (Mellie)

Abstract: This study analyzes Salome's perfidious words of advice according to the precepts and models provided by the public speaking treatises of the time. While our work is based on a rhetorical approach, it also studies these speeches according to a dramaturgical approach (their roles in the composition of the play and in the characterization of the characters and their power relations) and a stylistic approach (analysis of the enunciative, lexical, syntactic, and figurative processes).
