2023, n° XLV. varia

Author: Grove (Laurence)

Abstract: The Glasgow Manuscript: 25 Years On. This introduction presents the volume now known as Glasgow University Library SMAdd.392, a facsimile of which appears in this current publication. The discovery of this volume and its 13 previously unknown manuscript poems by Tristan l'Hermitte was first documented in the CTLH in 1998. This article gives an overview of the manuscript in its literary context, as well as a highly personal account of the story of this discovery.
