

Pourquoi Proust *ne doit pas* changer votre vie : l'exemple de la jalousie

Publication type: Article from a collective work

Collective work: [Cent ans de jalousie proustienne](#)

Author: Chaudier (Stéphane)

Abstract: This article rejects the identification between love and jealousy in Proust. Rather than requiring that the reader accept the narrator's statements, by posing psychological, aesthetic and ethical questions, the novel invites us to distinguish between understanding and approval.
