Publication type: Collective work

Editors: Demars (Aurélien), Stănișor (Mihaela-Gențiana)

Abstract: This book offers a selection from the proceedings of the twenty-first international Emil Cioran symposium in Sibiu, which was devoted to a notion pervasive in Cioran's work, something at work in his life and thought like a remedy full of his poisonous internal tragedy, something that is sometimes an ordeal and sometimes a windfall of fate: solitude.
