

Cognitivism and Translation

Semantic and Psychological Approaches

Type of publication : Collective

Editors of the work : Achard-Bayle (Guy), Durieux (Christine)

Summary : This work gathers texts presented at the first world congress of translation studies (University Paris - Nanterre, April 2017) in two workshops : « Semantic and cognitivism » and « Psycho-cognitivism and translation studies », which aim at a reflection on the reality perceived and represented and on the nature of the translative act.
