

## Vincenzo Nolfi's *Ginipedia* (1631)

Household Management and Civic Femininity in Seventeenth-Century Italy

Publication type: Article from a collective work

Collective work: [Conduct Literature for and about Women in Italy 1470-1900. Prescribing and Describing Life](#)

Author: Evangelisti (Silvia)

Abstract: Vincenzo Nolfi's *Ginipedia* offers a detailed discussion of the civic duties of female élites. The text constructs an ideal model of femininity focussed on women's active participation in the city's social and public life. Published in 1631, and three-times reprinted in the decades to follow, *Ginipedia* addresses notions of civic femininity and informal public roles for women, ultimately suggesting links to later, and more politically oriented debates on women's rights.
