

Judges and juries in the work of John Grisham

Publication type: Journal article

Journal: [Considérant Revue du droit imaginé](#)
2020, n° 2. varia

Author: Thierry (Jean-Baptiste)

Abstract: John Grisham's extensive body of work, which is still being produced, offers a particularly relevant insight into the role of law and its actors. Through the construction of effective plots, he has succeeded in making key characters out of judges and juries. The shortcomings of these actors force the lawyers to act more as combatants than as simple defenders.
