

## Judicial error in perspective

Publication type: Journal article

Journal: [Considérant Revue du droit imaginé](#)  
2021, n° 3. varia

Authors: Bareït (Nicolas), Connil (Damien)

Abstract: Judicial error is a blind spot for the legal system. Jurists themselves have a hard time detecting it from the inside, and it appears from the outside as a scandalous anomaly that literature, cinema, or television series may seek to denounce, or even correct. Literature in particular has forged remarkable ties with judicial error—for better (Zola) or for worse (Duras).
