

Cours exhaustif sur la philosophie

Première partie. Théorie de la représentation, de la pensée et de la connaissance en général

Publication type: Book

Author: Schopenhauer (Arthur)

Scientific editor: Bouriau (Christophe)

Collaboration: Welsen (Peter)

Abstract: This work is the French translation of a lecture by Arthur Schopenhauer on the theory of knowledge, given in 1820 at the University of Berlin. It represents an important addition to the philosopher's other writings on this subject which have already been published in French.
