

The language policy of the European Union after Brexit

Elements of a study

Publication type: Journal article

Journal: [Des mots aux actes](#)

2020, n° 9. Traductologie et discours : approches théoriques et pragmatiques

Authors: Valdivieso Blanco (María), Muñoz Martín (Javier)

Abstract: Following the withdrawal of the UK, what will be the status of the English language within the EU? After an analysis of the founding legal texts for Union's language policy, as well as certain political and practical aspects, such as the global hegemony of English, several scenarios will then be put forward and commented on. Indeed, such choices will shape the status of languages and translation, and ultimately the very identity of the Union as a common space for its citizens.
