

Dispositifs de la démocratie

Entre participation, délibération et représentation

Publication type: Book

Author: Mansbridge (Jane)

Scientific editors: Hayat (Samuel), Talpin (Julien), Vitiello (Audric)

Postface writer: Sintomer (Yves)

Abstract: Jane Mansbridge has made a major contribution to democratic theory and feminist studies, articulating empirical investigations and theoretical consideration. This book gathers seven of her fundamental texts on democracy and how it is realized – through participation, deliberation and representation.
