

## **Droit et justice dans la littérature francophone de Belgique**

Publication type: Collective work

Editors: Ribémont (Bernard), Teklik (Joanna)

Abstract: Drawing from the whole body of Belgian francophone literature, this volume examines how these texts, with or without a Belgian specificity to them, question notions and concepts of law and justice linked to the present or the past. The approach is interdisciplinary and transhistorical.

Number of pages: 254
