

## The sounding object as a figurative relation

Publication type: Journal article

Journal: [Écrans](#)  
2019 - 1, n° 11. [Les objets sonnants au cinéma](#)

Author: Labé (Benjamin)

Abstract: To understand how we listen to the sounding objects, the author focuses on specific examples (from Kubrick and Buñuel) in which something sounds wrong. The sounding object must be considered as a structure including the object, the sound, the realistic awaited sound and the listener.
