

Émile ou de l'éducation

Publication type: Book

Author: Rousseau (Jean-Jacques)

Scientific editors: Richard (François), Richard (Pierre)

Preface writer: L'Aminot (Tanguy)

Abstract: The culmination of Jean-Jacques Rousseau's philosophical thought, this definitive work is both an essay on education and a practical treatise putting forward a new conception of the child. This edition situates the work in its intellectual context and sheds light on both its creation and its legacy.
