

Esthétique de la guerre - Éthique de la paix

Un siècle de littérature sur la Grande Guerre

Publication type: Collective work

Editors: Mecke (Jochen), Schoentjes (Pierre), Donnarieix (Anne-Sophie)

Abstract: As the chapter is closed on the commemorations of the First World War, this volume looks back at the evolutions of the literary production on the First World War up to the present day. It takes a broad perspective, taking into consideration novels, poetry, letters, short stories, and journals.
