Esthétique de la langue française

La déformation, la métaphore, le cliché, le vers libre, le vers populaire

Publication type: Book

Author: Gourmont (Remy de)

Scientific editor: Kaës (Emmanuelle)

Abstract: While laying claim to "a quite violent esthetic feeling," Remy de Gourmont places his *Esthétique de la langue française* (1899) under the patronage of the great names of contemporary linguistics and seeks to "add a new principle to those which guide the study of languages, namely the esthetic principle."
