

Biopouvoir, biopolitique et transhumanisme

Mort différée ou mort préservée ?

Publication type: Journal article

Journal: [Éthique, politique, religions](#)
2015 - 1, n° 6. [Le Transhumanisme](#)

Author: Adorno (Francesco Paolo)

Abstract: "Biopower, bipolaritics and transhumanism". Transhumanists are also concerned by the problem of death. The number of methods and techniques developed by advanced biological research to eliminate this scourge of humankind grows ever longer. Of all the ways to treat the deadly disease that affects us all, politics should not be forgotten. It is even questionable whether an immortal society would need the same sort of politics as ours and what form of policy would be appropriate.
