

Practical field philosophy

What research position should be taken?

Publication type: Journal article

Journal: [Éthique, politique, religions](#)

2019 - 2, n° 15. [Le terrain en philosophie, quelles méthodes pour quelle éthique ?](#)

Authors: Dekeuwer (Catherine), Henry (Julie)

Abstract: This article is based on our experiences as researchers in field philosophy. In our research, we try to better understand how healthcare professionals mobilize representations and norms in their daily practices, dilemmas, and reflections. In this context we use tools from empirical research, which made us ask what is our specific posture as philosophers.
