

Trauma Policies

Fighting against "Psychological Wounds" as a Public Policy against Radicality?

Publication type: Journal article

Journal: [Éthique, politique, religions](#)
2023 - 2, n° 23. Radicalisation et radicalités

Author: Dabila (Antony)

Abstract: This article aims to study political radicalism as an individual pathology. That is to say, the traumatic experience seems to be one of the reasons, among a range of factors, for the transition to the violent acts and the adoption of radical beliefs in the political field.
