

An art of digital humanities?

Publication type: Journal article

Journal: [Études digitales](#)
2021 - 1, n° 11. Ordre numérique et désordre digital

Author: Moreau (Antoine)

Abstract: We propose to question the digital humanities from the fundamental research in art so as to be able to test its methodological quality. By recalling the technical character of the fact of art, an approach of anthropological order will be considered to raise the paradoxical bipolarity of the immaterial. From these observations, we will ask ourselves if the digital humanities are a new humanism.
