

The other Simone

Publication type: Journal article

Journal: [Études sartriennes](#)
[2020, n° 24. Sartre et Beauvoir : lectures en miroir](#)

Author: Lecarme (Jacques)

Abstract: Simone Jollivet, the passion of Sartre's youth, then Charles Dullin's companion, is largely unknown to us now, except through a few of Sartre's letters and the novel drafted under the title *Une défaite*. Yet she lives on in the texts of her rival, Simone de Beauvoir, whose *Mémoires*, *L'Invitée* turns Jollivet into the character Élisabeth, and whose work *Tout compte fait* relates her downfall under the name of Camille. This called for an attempt to advocate on her behalf.

Pages: 217 to 231
