

Foreword

Publication type: Journal article

Journal: [Études sartriennes](#)

[2023, n° 27. Sartre dans les engagements politiques du XXI^e siècle](#)

Author: Simont (Juliette)

Abstract: This special report looks at Sartre's politics and its impact today in various fields: political ecology, feminist studies, gender studies, decolonial theory, anti-racism, defense of minorities. It gives new pertinence to the Sartrean notion of engagement, too often decried as outdated.

Pages: 11 to 12
