

Mallarmé poète épique

Publication type: Journal article

Journal: [Études Stéphane Mallarmé](#)
[2015, n° 3. varia](#)

Author: Vincclair (Pierre)

Abstract: Although Mallarmé is traditionally considered to be a producer of pure poetry recent critical attention has turned to the social, economic and religious aspects of his work. Using criteria developed by specialists of epic poetry, this article re-examines the alleged purity of Mallarmé's work.
