

Le Théâtre dans la Cité (1957-1959)

A newsletter-program designed to “in a word [...] inform”

Publication type: Journal article

Journal: [European Drama and Performance Studies](#), Hors-série. *La Décentralisation théâtrale en revues*

Author: Zaccheo (Tommaso)

Abstract: This article represents only a small contribution to the study of theatre reviews under decentralization. By looking at the morphology of this object of study, as well as its content, on the one hand, and, on the other, by also analysing archival sources, it tries, nevertheless, to provide a better understanding of the context in which this publication was produced.
