Abstract: Between April 1963 and September 1989, Le Théâtre-Maison de la Culture de Caen (TMC) edited a monthly periodical entitled *Loisir* (or *Loisir Information*). This publication was part of the history of the theater. It helped the artistic and administrative management of the TMC communicating on its eclectic programme and its vision of the dramatic art. *Loisir* also enabled the dialogue with the subscribers and the shape of a solidarity network between the French theaters sharing the same values.
