

Examen des *Observations anatomiques* de Gabriel Fallope

Publication type: Book

Author: Vésale (André)

Scientific editor: Soulier (David)

Abstract: This bilingual edition gives the first complete French translation of the *Examen of the Anatomical observations of Gabriele Falloppio* (1564), the last work by the great anatomist Andreas Vesalius (1514-1564), who responds to the anatomy book published by his emulator Gabriele Falloppio (1522-1562).
