

Figures de la marginalité dans la pensée grecque

Autour de la tradition cynique

Publication type: Book

Author: Chapuis (Maxime)

Preface writer: Husson (Suzanne)

Abstract: "Defacing the currency," re-evaluating values: this is the mission that the oracle at Delphi supposedly entrusted to Diogenes. When related to the characters of tragic theater, to Socrates or Antisthenes, cynical subversion allows us to apply a concept of marginality to Greek Antiquity.
