

## Formes du millénarisme en Europe à l'aube des temps modernes

Publication type: Collective work

Editors: Fanlo (Jean-Raymond), Tournon (André)

Abstract: The contributions gathered here study different aspects of Millenarianism. The diverse and always heterodox forms of this eschatological expectation haunted the modern era. Preachers, poets, visionaries, and insurrectionary leaders gave doctrinal, mythical, and political substance to this troubling desire.

Number of pages: 480

Reprint of the edition of: 2001
