

De l'imagination ethnographique au xviii^e siècle

Publication type: Article from a collective work

Collective work: [French Global. Une nouvelle perspective sur l'histoire littéraire](#)

Author: McDonald (Christie)

Abstract: The ethnographic imagination in the eighteenth century expanded the limits of knowledge as a challenge to the status quo. It enabled writers to question the status of human beings with respect to the other in the natural, social and political world and to propose the possibility of change.
