« Il y ha icy un nouveau monde »

Lire *Pantagruel* en regard d'Oronce Fine

Publication type: Article from a collective work

Collective work: [French Global. Une nouvelle perspective sur l'histoire littéraire](#)

Author: Conley (Tom)

Abstract: This essay suggests that Chapter 32 of Rabelais' *Pantagruel*, possibly inspired by the world map of Oronce Fine, which appeared in a work that Rabelais had read, « introjects » the unknown, assimilates it, and finally recognizes what would be a first effect of globalization in the era of explorations.
